Anthurium Pot Plants

Exotic Blooms for Indoor Elegance

Florance Flora's Anthurium pot plants bring vibrant, waxy flowers to homes and offices, offering sustainable beauty with minimal care.

Florance Flora's Anthurium pot plants feature glossy leaves and colorful, heart-shaped spathes, perfect for indoor décor. These low-maintenance plants thrive in shaded environments, aligning with our commitment to sustainable, high-quality floriculture.

FEATURES	DETAILS
Plant Type	Flowering
Colors	Red, Pink, White, Green
Bloom Time	Year-round
Suitability	Indoor pots, office décor

Moderate Watering

Water Anthurium when the top inch of soil is dry, ensuring proper drainage.

Long-Lasting Blooms

Anthurium's glossy blooms last 2-3 months, adding vibrant color indoors.

Home Decor

Place Anthurium in pots to enhance indoor spaces with tropical elegance.
