China Doll Pot Plants

Glossy Foliage for Bright Interiors

Florance Flora's China Doll pot plants offer lush, glossy, fern-like leaves on a compact tree form, perfect for sustainable indoor décor.

China Doll (Radermachera) pot plants form an elegant, bushy little tree of glossy, finely divided leaves, bringing fresh greenery to homes, offices and retail displays. Florance Flora supplies healthy, sustainably grown China Doll plants across India.

FEATURES	DETAILS
Plant Type	Foliage
Colors	Green
Growth Habit	Compact, tree-like
Suitability	Indoor pots, offices, gifting

Bright Spot

Keep China Doll in bright, indirect light for dense, glossy growth.
