Zamioculcas Pot Plants

Durable Foliage for Easy-Care Décor

Florance Flora's Zamioculcas pot plants offer glossy, upright leaves, perfect for sustainable, low-maintenance indoor décor.

Zamioculcas pot plants, or ZZ plants, provide resilient, glossy foliage, ideal for low-light areas. Florance Flora ensures eco-friendly growth.

FEATURES	DETAILS
Plant Type	Foliage
Colors	Green
Growth	Year-round
Suitability	Indoor pots, office décor

Infrequent Watering

Water Zamioculcas every 2-4 weeks, allowing soil to dry completely.

Glossy Leaves

Zamioculcas features shiny, upright leaves for a sleek, modern look.

Durable Decor

Use Zamioculcas for low-maintenance elegance in any indoor space.
